### Chapter 1 by Lex

Moka wandered throughout the halls of the large new school attempting to find her way to class 3-A. The school was just too big, there were four buildings, three floors, and classes everywhere...she stopped and an exasperated sigh escaped her soft pink lips, she looked around and saw not a single student in sight, but she did hear a noise. She followed her gut and took cautious quiet steps towards where the noise was coming from, it was a set of double doors, the sign said "Suiei pūru" or Indoor Pool in Japanese. She pushed the door open and caught a small splash as the water rippled and she saw a figure under the water.

She took a few steps closer and crouched down at the edge of the pool, she watched whoever it was swim through the water towards her end, she panicked slightly and looked around wondering if she shouldn't be there, if she should hid, but it was too late, the swimmer was already in front of her. Startled, she fell backwards onto her rear and gasped.

As Kita gulped down air, ready for her next lap, she heard a gasp and soft thud outside the door to the pool. Pausing on her laps, she debated, get out of the pool and see if someone had gotten

"Oh h-hello, I'm uh, new here and i was on my way to find my class when i heard a strange noise coming from over here and i was wondering what it was. You startled me is all."

She shrugged and put out a delicate and freshly manicured hand towards the girl. She noticed the girls glistening body and her cute swimsuit, she sighed again and smiled.

"I'm Moka, nice to meet you. I see you're a bit busy though, you must be a really great swimmer, i never learned so I'm actually really scared of the water. Anyways, I'll go get back to my class now..or find it anyways..."

### Chapter 4 by Phantim

"Ah, your already late. Why don't you come for a swim with me? I can show you a thing or two. I'm in class 3-C so we will be neighbors. I can walk you there if you want to wait." the girl in the swimsuit says with a cute high pitched voiced.

"So shouldn't you be in class too though?" Moka asked.

"Ah, well my first class is Biology and since my parents don't believe in Evolution I don't have to all week until that chapter is done. Got a note and everything," she said with a wink. "Now let's get you out of those clothes and into a bathing suit."

"No... I uh... No," Moka said blushing and turning toward the door.

"Ah, come on. We can use the shallow part. No need to be scared..." she said.

"Well, no... I'm not scared but I just wanna get to class so-" Moka started to move away but then slipped on the water dripping off Kita's wet body. Kita reached out an arm to stop her but she ended up just falling down too...
